- 11.6. Where payment is dependent upon the determination of weight, quality, specification or analysis, ADM may withhold payment until such determinations have been completed.

12. Payment Security

29. Confidentiality

29.1. Each party undertakes that it shall not, at any time during the Contract and for a period of two (2) years after its termination or expiry, disclose to any person any confidential information concerning the business, affairs, customers, clients or suppliers of the other party, except as permitted by this clause.
